

## Notice of changes to Sure's bundle offers, with effect from 14<sup>th</sup> January 2020

(Date of publication: 10th December 2019)

Sure announces upcoming changes to the bundled pricing of its landline, VDSL broadband and Pay Monthly mobile services.

The savings shown below are reflective of the bundle price against the individual standalone pricing of each service. The 'Standalone Price' as shown in each section of the table below relates to the maximum savings that can be realised – that being in relation to a customer that currently takes a 1 month rolling mobile contract and is therefore not eligible to receive a discount on their existing broadband service.
