10.2.2 You must ensure we have your correct email address and that your email account is correctly configured to receive our email notifications. If you do not pay your online bill because you have failed to provide the correct email address, or our emails are blocked due to your account settings or any other reason, then we may take various further actions for late payment as set out in paragraph 10.5 below.

10.3 You must pay your bill by the Due Date, unless validly disputed in accordance with paragraph 10.3 below.

10.4 You are responsible for checking the details and accuracy of your bill. If you reasonably and in good faith dispute a bill or part of it, you shall notify us of such dispute before the Due Date, providing details of why the invoiced amount is incorrect and how much you consider is due.

Other charges (including call charges) will be billed in arrears. Except for temporary Service(s), the Customer must pay Rental Charges in accordance with our billing cycle. We will apportion Rental Charges on a daily basis for any incomplete billing periods.
